## General Information

|                          |                                      |
|--------------------------|--------------------------------------|
| SKU                      | 243517                               |
| EAN                      | 4058075227408                        |
| Brand                    | Ledvance                             |
| Manufacturer Name        | BATTERY LED SPOTLIGHT DOUBLE WT LEDV |
| Any Lamp all-in warranty | 2 Years                              |
| Average Lifetime (h)     | 15000                                |

## Technical Information

|                             |                 |
|-----------------------------|-----------------|
| Technology                  | LED Integrated  |
| Wattage                     | 10              |
| Replaces (Watt)             | 10              |
| Voltage (V)                 | 6               |
| Dimmable                    | Not Dimmable    |
| Colour Code                 | 840 Cool White  |
| Colour temperature (Kelvin) | 4000 Cool White |
| Colour Rendering (Ra)       | 80-89           |
| Colour of Light             | White           |
| Light colour options        | Single Color    |
| Luminous Flux (Lumen)       | 480             |
| Luminous Efficacy (lm/W)    | 48              |

|                       |                |
|-----------------------|----------------|
| Beam Angle (degree)   | 95             |
| Power factor          | >0.90          |
| Product Type Category | LED Floodlight |

## Fixture Information

|                        |                                       |
|------------------------|---------------------------------------|
| Mounting Method        | Surface                               |
| Including bulb         | No                                    |
| Light Distribution     | Symmetrical                           |
| IP-rating              | IP54                                  |
| Impact Protection (IK) | IK05 - 0.70 joule                     |
| Operating Temperature  | -20 to +30                            |
| Colour of the Fixture  | White                                 |
| Housing                | ABS (Acrylonitrile Butadiene Styrene) |
| Colour of material     | White                                 |
| Emergency Lighting     | No Emergency Unit                     |

## Dimensions

|             |     |
|-------------|-----|
| Length (mm) | 332 |
| Width (mm)  | 105 |
| Height (mm) | 112 |

## Sensor Information

|                     |                                                     |
|---------------------|-----------------------------------------------------|
| Type of sensor      | <b>Why Any-lamp?</b><br>Light Sensor, Motion Sensor |
| Sensor Reach (m)    | 7 m                                                 |
| Sensor Time Setting | 20 sec                                              |

Order from the **largest lighting specialist** in Europe  **Customised** quotation
